Is Labor Share Decreasing?
By Nobuo Iizuka

NEXT ISSUE

The May/June 2018 issue will highlight young METI officials' report on "Challenges to the Japanese People and Government" issued in 2017. These challenges are commonly shared by much of the rest of the world and our issue will explore solutions to them, hopefully prompting consideration of how individuals can spend better lives. Our next issue will be published on our website on May 10, 2018.
