Happy Hour for Friends of JEF

By Japan SPOTLIGHT

Our Happy Hour for Friends of JEF in 2018 was held at our office on July 12, 2018.

JEF Board members and advisors, *Japan SPOTLIGHT* Editorial Committee members, participants in previous JEF policy seminars and conferences, and other supporters enjoyed a happy gathering on a summer's night.

The occasion gave JEF staff and friends an opportunity to talk informally about recent political and economic issues and enhance their knowledge within the policy community.
