## NEXT ISSUE

Our next issue in July/August 2025 will feature the theme of "Global Supply Chain Resilience – Trade Rules & Trade Roles". We will highlight the problem of supply chains faced with the risk of disruption from the superpowers' struggle for hegemony, and look at the WTO as a potential savior by strengthening the resilience of global supply chains. Our next issue will be published on our website on July 10, 2025.

The opinions expressed in the articles published in *Japan SPOTLIGHT* are those of the authors and do not necessarily reflect the views of the Japan Economic Foundation, which is not sponsored by and does not sponsor or support any particular political or religious organization.
